LEGAL ETHICS OPINION 442

LETTERHEAD – “OF COUNSEL”

It is not improper for an attorney, who is employed as a full-time manager of a shopping center and who does part-time legal work for a law firm, to be designated "of counsel" on the firm's legal stationery. [See II: DR:2-102(A), note -- DR:2-105(D) is inapplicable to associates and "of counsel."]
