LEGAL ETHICS OPINION 529

CONFLICT OF INTERESTS/
COMMUNICATION WITH ADVERSE
PARTY/COUNTY BOARD OF
SUPERVISORS.

Even if an attorney knows that the County Attorney is the legal counsel to the Board of Supervisors, it is not improper for the attorney to contact directly a member of a County Board of Supervisors. DR:7-104 is applicable in an antagonistic or adversarial context and is not applicable in a case where persons are petitioning a legislative body. [DR:7-104]
