LEGAL ETHICS OPINION 643

APPEARANCE OF IMPROPRIETY –  
REPRESENTATION OF BOARD OF  
ZONING APPEALS.

It is not improper for a part-time commonwealth's attorney/county attorney to render legal services to the county's board of zoning appeals, the membership of which includes said attorney's wife/law partner. This opinion is limited to the discharge by the commonwealth's attorney/county attorney of his public responsibilities. It is not intended to imply that the commonwealth's attorney/county attorney may accept private employment from the board of zoning appeals.
