LEGAL ETHICS OPINION 739

LANDOWNERS' ASSOCIATION –  
NONPAYMENT OF MAINTENANCE  
FEES BY LOT OWNERS.

It is not improper for a law firm, which is general counsel to a landowners' association, to represent said association in the collection of delinquent road maintenance fees from individual lot owners/members of the association, when the nonpayment of such fees results in the loss of the right to vote by the lot owners/members. [ LE Op. 692]
