

REPORTS OF THE SECTIONS

REAL PROPERTY SECTION

Susan Hepner Siegfried, Chair

We remain the second largest section of the Virginia State Bar. Our success is due to the efforts of our dedicated board of governors and area representatives.

The section has accomplished the following:

1. Continued to work on updating the standard real estate forms
2. Continued to work on a *Commercial Real Estate Handbook*
3. Presented the following seminars:
 - Annual Advanced Real Estate Seminar
 - Annual Real Estate Practice Seminar
 - Annual Meeting CLE Seminar (jointly with Local Government Section)
4. Distributed standard real estate forms on disk and Virginia Homebuyer's Manuals to new admittees at the First Day in Practice Seminar
5. Appointed a liaison between the section and the Old Dominion Bar Association
6. Appointed a Real Property Section Liaison to Bar Counsel of the Virginia State Bar
7. Assisted our editor, Professor Lynda Butler of the Marshall-Wythe Law School, in compiling and publishing of the section's newsletter, *The Fee Simple*.

The section especially thanks Lee Hickock of Virginia CLE for his excellent help and guidance in the planning and presentation of the real property seminars. ❀
