LEGAL ETHICS OPINION 294

REPRESENTATION OF PLAINTIFF AND
DEFENDANT – UNINSURED
MOTORIST – SUBROGATION.

Where an attorney enters an appearance for a defendant at the request of the uninsured motorist carrier and files pleadings in the defendant's name, it is improper for the attorney following settlement of the case to represent the plaintiff against the defendant to enforce the subrogation rights of the uninsured motorist carrier. [See II: DR:5-105.]
