LEGAL ETHICS OPINION 375

CITY COUNCIL MEMBER – ATTORNEY
– APPEARANCE OF IMPROPRIETY.

It is improper for an attorney whose law partner is a member of City Council to seek from the City Council a cable TV franchise for a corporation in which both the City Council member and the law partner are shareholders. Impartial counsel should be retained to represent the corporation. [See II: DR:8-101(A)(1) and (2) and DR:9-101(B) and (C).]
